

INDORE INSTITUTE OF LAW

(AFFILIATED TO D.A.V.V & B.C.I)

ABOUT THE FACULTY

Mr. VIVEK WILSON

I started my professional career in 2016 as a teaching intern at the RNB global University, Rajasthan. Due to the research capabilities, I have been selected as a clerk under Hon'ble judge of high court and Supreme Court. My time at the Supreme Court and high court happened when the institution of research clerks was viewed with growing perspective of the legal field and hence making a space for the position was an uphill task. Even so the learning on the judicial culture and psychology are irreplaceable. After the Court experience, I have worked at the various government organisations, where I had the hands on opportunity to learn to research, write, and edit in association with renowned legal luminaries.

In 2016 may I have joined IIL as its first full time Assistant professor. Since I had predominant experience in research I had the enthusiasm of a fresh recruit towards my teaching, which coupled with the authority, and allowed experimentation. My enthusiasm was seen by

the fact that as a multiple discipline institute which has easier protocols for floating courses, amending curriculums and experimenting with evaluation. I teach like a researcher and my courses do not impart existing information but dwell on questions that need further investigation. Since our students stay with us over extended periods of time, I have enjoyed the opportunity to build learning together relationships with them.
