The recruiter are urged to indicate their preferred dates to such talk to the placement cell either by e-mail or telephonic communication a week prior to the commencement of the placement week.

In the second stage, the organization have to register themselves with the placement cell with their preferred dates in the final placement schedule. Recruiters are welcome to follow their own recruitment process, broadly within the frame work of group of discussion, written test and personal

interview. Organisation can also opt for telephonic interviews and interview via video conferencing. The placement cell work to ensure that final recruitments are conducted in fair and transparent manner as to maximize the interest of student and recruiter both.

Placement Rules:

- Prospective employers are requested to intimate the Placement Cell for any pre-placement offer to any student by 31st May 2017.

- At the end of the placement process by a prospective employer, if a member of the campus placement process receives an offer of employment, it would be deemed to be an acceptance of the offer by the member. Thereafter that member is barred from any further participation in the campus placement process.
- With more than one employer recruiting from the campus, the result will be declared after all the interviews for the days are over and if candidates are selected by more than one organisation, the choice of selection lies with the candidates. Thereafter the candidate is barred from any further participation in the campus placement process. In such a scenario, the prospective employers are urged to provide a waiting list of the candidates.
- Where a student registered for the campus placement process, fails to perform the duties cast upon him/her under those rules, the placement cell have the right to take appropriate action against the members.
