Visit to Governor's House And Legislative Assembly

Date	:	30th September 2022
Day	:	Friday
Venue	:	Bhopal
No. of Participants	:	120

Career Development Cell of Indore Institute of Law conducted a one day visit to Bhopal to visit and know the infrastructural nuances of the VidhanSabha (Legislative Assembly) of Madhya Pradesh, Governor House and office of Madhya Pradesh Committee for Protection of Child Rights (MPCPCR). The purpose of the visit was to get a close experience of the working environment of the government offices. A total of 34 Students accompanied by Prof. IshitaRana and Mr. ShubhankKhare, Placement Officer, Career Development Cell were a part of the touring party.

The visit began from VidhanSabha where a member of VidhanSabha, accompanied the entourage and informed about infrastructural significance of the building. The VidhanSabha of MP was designed by Charles Correa in 1967. The entourage then moved to VidhanSabha on the side of general people's gallery. The gallery gave a breathtaking view of the VidhanSabha which was all in green, as green indicates root level people. It included a big white center chair of the Speaker, all green seats were of MLAs, administrative officers and previous MLAs. The make-up of whole building was such that it does not only absorb the heat waves but also reflects light (due to usage of acrylic sheets) and there meeting could be held without usage of electricity because it had natural lighting and air condition effects in it. The ma'am informed us about the seating arrangements of the Right wing party, Left wing party and other party's MLAs. She also informed us about the seating patterns of IAS, IPS, family members of MLAs, family

members of Speaker, VIP guests, etc. It was fascinating to know that an MLA can nominate four members per day during session for watching the live proceedings.

After that, the entourage visited the office of MPCPCR, where a staff member informed about the objectives of the Child Rights Commission. The member also gave us a glimpse of how the working of the office takes place and how many keen efforts are exerted by their team for protecting the rights of the children aged 0 to 18 years.

At the end, the entourage visited the Governor House. The librarian of the house informed about all the things of the governor house. Exploration of the governor house started with auditorium where the oaths are administered and cultural programs are done, further the entourage moved to the magnificent art gallery which had various masterpieces gifted and awarded to the governor. The touring party also met law officer of the governor,

The tour was a success and students learned a lot about the history and heritage of the same.
