To,
Mr. Akshay Kanti Bam
The Chairman,
Indore Institute of Law

Sub: Letter of Appreciation

Dear Sir,

We highly appreciate the effort of the students of Indore Institute of Law who took the initiative of educating about menstrual hygiene as well as distributing biodegradable sanitary pads & Menstrual Cups to the girls and women of Ranwasa Village. Menstrual hygiene is an alarming health issue and a subject that still largely remains a taboo.. Therefore, it becomes vital to create awareness and provide products to menstruator. The efforts of the government and a few individuals alone will not suffice. It requires contribution in terms of individual social responsibility and contribution from the society. The contribution of 61 students of Indore Institute of Law was a remarkable. We are forever indebted and have heartfelt gratitude for these students. We would acknowledge their efforts with a letter of appreciation to each one of them who was a part of this worthy cause.

Warm Regards
For Bharat ki Beti Foundation
