School Sindhoda, Rau in collaboration with the Ledex & Indore Institute of Law organized this enlightening event aimed at educating students about personal safety and boundaries. The session commenced promptly with 112 eager students in attendance, representing the awareness among the various age groups and grades within the school. Good Touch & Bad Touch

Date	:-04-02-2023
Day	:- Saturday
Venue	:- Joyti Convent School
Number of students	:- 191
Organized by	:- Ledex
Scheme	:- Sparsh
Occasion	:- Chid Awareness Day

Ledex organized an awareness day on the critical topic of Good Touch & Bad Touch at Joyti Convent School. The event aimed to educate students about personal boundaries, safe physical interactions, and awareness regarding inappropriate touching.

The event commenced with interactive sessions where 191 students actively participated in discussions about what constitutes good touch and bad touch. Real-life scenarios were presented to make them understand the difference between the two.

To further reinforce the concepts, role-playing activities were conducted. Students were divided into groups and were asked to enact scenarios involving different types of touches. This allowed them to understand how to react appropriately in such situations.

Visual aids such as presentations and videos were used to deliver important information in an engaging manner. Topics covered included understanding body autonomy, identifying trusted adults, and seeking help when faced with uncomfortable situations.

The Good Touch & Bad Touch Awareness Day organized by Ledex under the Sparsh scheme at Joyti Convent School, proved to be a significant initiative in educating students about personal safety and boundaries. It equipped them with the knowledge and confidence to navigate through challenging situations and seek help when needed. Such initiatives play a crucial role in creating a safer and more aware community.

On the 29th of May 2023, a significant Pulse Polio Awareness event took place at Dasher Madan to Collectorate Indore. The event was collaboratively organized by the Red Cross Society, NSS, and Indore Nursing College, a sister concern of the institution. With the participation of 206 enthusiastic students, this initiative aimed to raise awareness about pulse polio vaccination in the nearby locality.

The event started at 10:00 AM, with participants assembling at the designated venue. The students, dressed in their respective organizational attire, showcased remarkable enthusiasm and dedication towards the cause. The venue was strategically chosen at a central location to ensure maximum outreach to the target audience.

Teams of students embarked on an extensive awareness campaign, disseminating crucial information regarding pulse polio vaccination. Armed with informational pamphlets and posters, they engaged with local residents, educating them about the importance of immunization in eradicating polio from the community. Interactive sessions were conducted, wherein participants had the opportunity to interact directly with healthcare professionals. These sessions facilitated the clarification of doubts and misconceptions surrounding pulse polio vaccination, thereby fostering a better understanding among the attendees.

Live demonstrations on administering pulse polio drops were organized, allowing individuals to witness the process first-hand. This practical demonstration aimed to alleviate any apprehensions or fears associated with the vaccination procedure.

The event had a significant impact, both in terms of participation and awareness generated. Thanks to the collective efforts of the organizing bodies and the enthusiastic involvement of the students, a substantial number of individuals received vital information about pulse polio vaccination. The event served as a catalyst for community engagement and empowerment, fostering a sense of responsibility towards public health initiatives. In conclusion, the Pulse Polio Awareness event held on 29th May 2023 stands as a testament to the collective determination and commitment towards eradicating polio from our society. The collaborative efforts of the Red Cross Society, NSS, and Indore Nursing College, coupled with the active participation of 206 students, exemplify the power of community-driven initiatives in addressing public health challenges. As we move forward, let us continue to strive towards creating a polio-free world, one vaccination at a time.
