BLOCK -A

This block of the institute comprises of 5 floors embodying the following details:

I. **Ground Floor (Block A):** The first half of the corridor consists of offices of the top management.

The Chairman's Office is situated in the extreme left of the ground floor. Beside it, lies the office of the Human Resources Department (HRD) which is responsible for managing the employee life cycle (i.e., recruiting, hiring, training and firing employees) and administering employee benefits. The office of Dean and Director of Academics, room for Personal Assistant to Dean and Director of Academics Juristic room, counseling room and Administrative office are situated adjacent to the HRD office. The Dean and Director of Academics provides overall academic leadership within the Faculty, coordinates the Faculty's strategic direction and in the process represent the Faculty at key fora in College and integrate the Faculty's interests into the overall institute strategy. The Student Counseling Room was set up to aid students resolve any personal problems impeding their academics and hold events such as presentations and seminars to give teachers information on how to help students.

Opposite to the administrative office, lie the following:

- **Waiting Area:** consisting of multiple three- seater benches (silver) where people can sit until the event or appointment for which they are waiting begins.
- **OPAC (Online Public Access Counter)** which enables the remote access to the library by acting as a finding aid to the books, journals, audiovisual material and other holdings of the library. It allows users to search books on parameters such as title, author's name, volume, and keywords with mere clicks. As the OPAC is connected to the circulation system, it provides up to the minute access to what items is available, how many holds are on an item and the location of an item.

- **Temple/ Prayer Hall** : The Institute provides a dedicated space for offering prayers in form of a temple located in the middle of the ground floor where designated group worship and prayers are conducted on various occasions and festivals like Ganesha Chaturthi, Durga Puja, Navratri celebrations and many more. Deities of Lord Ganesha , Goddess Saraswati and Goddess Laxmi are installed in the temple.
- Additionally, the institute accommodates a fire extinguisher pavilion. Indore Institute of Law takes pride in being the only institute in the State of Madhya Pradesh to have secured a **No-Objection Certificate from the Fire Department**.
- Separate restrooms for men and women, equipped with sensor based lights are located on each floor. The restrooms are furnished with adequate number of toilets, washbowls, mirrors and dustbins. They are well maintained by the college housekeeping staff thereby ensuring the provision of hygienic basic amenities. **Divyangjan-accessible toilets** are also provided in this floor.

Two classrooms viz. Classroom no. 1 and no.2 are located at the other half of the corridor. Classrooms at Indore Institute of Law (IIL) , facilitate a blend of traditional and ICT (Information and Communication Technology) modes of teaching such as overhead Wi-Fi enabled LCD projectors with roll-down screen cascading over whiteboard on use, Podium for faculty members, use of **Moodle- Learning management System (LMS)** to create effective online content and to implement and assess learning process. This floor also accommodates a Housekeeping Department. Additionally, **Institute's Enterprise Resource Planning (ERP)** is used to digitize operations like monitoring attendance of students, time table creation, course allotments, hall ticket generation, enrolment processes and many more.

The examination section, considered as the backbone of the institute is located in the extreme right of the corridor. It is assigned with the main responsibility of overseeing the conduct of examinations and the security of papers and scripts to ensure full compliance with regulations laid down by the Devi Ahilya Viswavidalaya (DAVV) university.

Along with the Examination section, Skill Development Council and office assistant corner along with photocopying and printing facilities are placed. The Skill Development Cell was established in 2019 with the purpose of enlarging the purview of the Student Representative Bodies and assisting them in enhancing their presence inside the institute. The Skill Development Coordinators will have direct control over the student representative bodies. The institution's extra-curricular calendar will be managed by the skill development coordinators. They will be in charge of helping students hone their

craft skills in order to advance their academic knowledge and prepare them for the workplace. The Director and Dean of Academics will oversee the activities of the Skill Development Cell directly.

Scholarship Desk along with three Student Information Desks for entertaining the students' queries is placed at the back of this office.

- University Notice Boards along with visual merchandise showcasing acts against sexual harassment and ragging are displayed on the walls of the first floor.
- Indore Institute of Law aims to provide an inclusive education framework for all and so strives to create a barrier free and divyangjan-friendly campus. Consequently, ramps are provided in the ground floor in order to enable easy movement for divyangjans.

ii. First Floor(Block A) :

The first floor of the building encompasses the following details:

- Research & Publication Cell:** Critical thinking is an indispensable skill that is essential for the lawyers. The courses offered at Indore Institute of Law have the greater goal of fostering law students' researching skills from the commencement of their law course and attempt to instill interdisciplinary, empirical research, and so on. Teaching and learning law requires critical reflections and also rigorous research. Publication of research work advances the research by promoting the dissemination of the knowledge created for social advantages. In pursuance of the above of the objective the Research & Publication Cell was established with an aim to inculcate innovation, researching skills and critical thinking amongst students and convert their thoughts into tangible ideas using legal databases. The room is equipped with **five computer systems** with a view to promote quick and efficient search and organization of information.
- Conference & Meeting Hall:** A conference room with state-of-the-art audio & visual equipment and appropriate furnishings creates a professional environment for conducting meetings and hosting guests.
- HOD Cabins & Staff Room:** Adjacent to the Research & Publication cell, staff room is located which is fully air-conditioned and has wide windows across the room which provides the teachers with lots of natural light and ventilation. They are provided with lockers, personal working spaces and a computer to prepare and assess their lessons. Separate and dedicated

- blocks are assigned for seating the Head of Departments (HoDs) of B.A. LL.B. (Hons.), B.BA LL.B. (Hons.), LL.B. and LL.M.
- d) 5 classrooms viz. Classroom No. 3, No.4, No.5, No.6 and No.7 where classes of B.A. LL.B. (Hons.) and B.BA LL.B. (Hons.) are conducted.
 - e) Conveniently located rest rooms equipped with sensor based lights on each floor are a part of the college infrastructure. The restrooms are furnished with adequate number of toilets, washbowls, mirrors, dustbins etc. They are well maintained by the college housekeeping staff thereby ensuring the provision of hygienic basic amenities.
 - f) RO- Drinking water facilities are provided in this floor.
 - g) Fire Extinguisher Pavilion consisting of smoke detectors and fire extinguishers with a view to provide a safe environment for the students.

III. Second Floor(Block A):

- a) **Moot Court Hall:** Moot court emulates the real life experience of what it is like to argue a case in court. In moot court, students prepare legal research, write briefs and complete oral arguments in front of a panel of judges. It is a great way for students at IIL to sharpen their research, writing and oral advocacy skills. Many outstanding mooters receive top internship and employment offers simply on the basis of their mooting ability. Far more importantly, a good moot court competition is a journey towards self-development.

Indore institute of Law provides a high-quality pattern of mooting culture that enables students to study both the foundations and advanced features of mooting. It is not only the participating teams who put in their effort for the competition, the Moot Court Society comprising of faculties and students also works hard to make this a huge success. Workshops were conducted by Moot Court Society for the students to motivate them to take part followed by another workshop wherein they were briefed about the benefits and importance of Moot Court Competition and how it will help them to become more confident and better person in their life. To perform internal moot court sessions, we have a rich infrastructure that includes a dynamic and large Moot court auditorium with the feel of a genuine operating court hall. To have a thorough grasp of the law, it is necessary to comprehend not only the concept but also its manner and actual practice. Intra Moots are conducted for the purpose of giving students a glimpse of the National Level Competitions, how they are conducted and what are the appropriate Moot Mannerisms that a law student must possess. The institute boasts a large Moot Court Hall that is an accurate copy of an actual court. It allows students to participate in simulated

court procedures such as authoring briefs, oral arguments, and mock trials. Our Law School offers a well-defined and up-to-date moot system having a well-organized Moot Court Committee which consists of representation from both the faculty and the student side.

- b) **Audio visual room:** The audio visual room is fitted with state-of-the-art technology. We have a set of knowledgeable and helpful staff that helps to address any issues regarding the working of any equipment and also helps students to set up the learning sessions with the teachers. The room also has wireless and broadband internet convenience.

Following audio and projection equipments are available:

- Microphones,
- Digital sound system
- Video-conferencing
- Remote controlled slide and video projectors
- Overhead LCD display
- Remote enable large screens
- Dark blinds to minimize entry of light while a session is on
- AC controls for the individual room

Through these aids, the teachers are able to disseminate knowledge via movies, wildlife documentaries, animated videos and talks by well-known and respected personalities that provide an insight into our country's culture and heritage. These audio visual sessions are highly interactive as the teacher has the capability to pause the recording allowing students to ask questions and take maximum advantage of the learning being imparted. The school provides training to its teachers in audio visual methods so that they can introduce new teaching techniques. Every teacher acquires a thorough knowledge of handling audio-visual equipment. The teachers use 3D animations, power point presentations and slide shows to bring lessons to life. There is a 24 hour Internet connection for students and teachers to browse different educational sites.

- c) **Indoor Sports Zone:** Custom-designed cabinets, drawers, shelves, and specialty racks create a purposeful **room** for efficiently storing tools, cricket-kit, basketball, volleyball, badminton racquets and other **sports** equipments and keepsakes. Additionally, facilities for indoor games like carom, table tennis, chess, dart, ludo, snake and ladder etc. are also arranged here. Students can issue sports materials like javelin, shot-put, discus, football, basketball, cricket kit and many from here through the Sports Officer appointed by the institute.
- d) **Reading Zone** which facilitates a quiet place for studying equipped with facilities like comfortable chairs, Wi-Fi, Air Conditioner, Charging sockets to charge electronics, Drinking water, newspapers etc.
- e) 4 classrooms viz. Classroom No.8, No.9, No.10 and 11 where classes of B.A. LL.B. and B.BA. LL.B. are conducted.
- f) **UPS area:** The institute has a solid power foundation backed with UPS battery as it has multiple buildings with complex academic research and analysis equipment stored behind many doors. This mitigates risk, maintains cyber security and protects power equipment. Continual access to resources, information and data, for both students and staff, is integral in allowing educational institutions to have any semblance of normal functioning. UPS battery backup helps our facility protect data and equipment, minimize cost, and sidestep the impact of power outages. It alleviates the strain on network and I.T. managers that face the daily challenge of maintaining critical infrastructure for network connectivity, ensuring student and faculty safety in turn.
- g) **Hall of Fame** was established to recognize, celebrate and honor the achievements of our illustrious students in moot court competitions, seminars, conferences and various sports events.

iv. Third Floor(Block A) :

a) **Tutorial Room:**

Tutorial rooms are designed as a multi- purpose educational space for:

- Education content delivery,
- Interactive learning activities,
- Interactive discussion and
- Active learning.

Prof. (Dr.) Manpreet Kaur Rajpal
 Dean
 Indore Institute of Law
 Director/ Dean/ Principal/ HOD

The students are housed in small groups and they are given the task of practicing assignments which are provided based on the class room work. The institute possesses spacious and well equipped tutorial rooms. Ergonomically designed, the tutorial rooms have safe furniture and are student centered. The airy and well furnished tutorial rooms provide the students with the apt studying atmosphere, helping develop concentration and attention spans in class.

- b) Seven classrooms viz. Classroom No. 12, 13, 14, 15, 16, 17 and 18 where classes of B.A. LL.B. and B.B.A. LL.B. are conducted.
- c) Separate washrooms for men and women with sensor based lights are provided in the corridor.

v. **Fourth Floor(Block A):**

The fourth floor of the building provides the following facilities for inducing a teaching-learning environment.

a) **Library:**

A library is the heart of any educational institution, and students at IIL have access to cutting-edge, well-equipped library facilities. With appropriate furniture and a reading room, the library is an ideal environment for students to learn and expand their knowledge. The library houses books of both national and international authors to ensure that students receive the best possible education. New publications in the fields of law, economics, humanities and social sciences are constantly added to the collection, providing students with a diverse range of academic resources. The print collection includes books, manuscripts, monographs, rare-books collections, research reports, law reports, and back volumes of periodicals etc. With over 13105 books and approximately 20 national journals and 04 international journals, in addition to e-journals, CD/DVDs and research publications, the library is well stocked to meet the requirements of the students. Aside from professional reading, the library has a good selection of leisure reading and books for soft skills development. All subjects related to the University's academic and research programmes have been included in the collection. For extensive use of **library** materials, the library accommodates **Researcher's Zone with 10 systems** which enable individual users for **research** and other scholarly activities. Further, with a view to further discussion and interaction among students, a designated open-air discussion area is also provided in the gallery of the library.

Prof. (Dr.) Manpreet Kaur Rajpait
Dean
Indore Institute of Law.
Director/ Dean/ Principal/ HOD

We also have the Brainstorming & Green Zone on the rooftop which furthers brainstorming sessions and interactive discussions among the students. The zone can accommodate around 20-25 students at a time.

b) Digital Library:

For the convenience of students, library service at IIL extends to a digital library providing the following facilities:

The library is fully automated with the installation of 20 computer systems and ERP Accsoft 2.0 (System for Library and Information Management) designed and developed by Emperor Solutions Pvt. Ltd.

- IIL handles massive amounts of data and information on a regular basis and must have continuous access to student information. This software system provides technical support by automating the complex data management process.
- The library contains thousands of books and other materials. Trying to find a specific item can be time-consuming and confusing. Luckily, OPAC system facilitates makes library patrons to search for materials quickly and easily without the help of a librarian.
- All the books are bar-coded, by using the software which enables students to inquire about the availability status of books, journals and other study materials.
- The institute has a dedicated webpage accessible through IP 172.16.10.61 which provides access to e-books, e-journals, e-newspapers, e-magazines, handbooks, encyclopedias, dictionaries, atlas, maps etc.
- With an aim to help students navigate law faster and smarter, the institute has subscribed to online legal databases viz. Manupatra, SCC online, Westlaw Asia and N-list INFLIBNET.
- In an effort to, spark creativity among students and address plagiarism in the academic setting the library has access to plagiarism detection softwares like OURIGINAL (URKUND) and Plagiarism Checker-X.

c) Server & Surveillance Area:

A server stores, sends, receives and processes data, which includes setting access control and rights of users on the network. They also perform functions such as managing devices (laptops and desktops),

printers and user profiles (including passwords) as well as storing data (including shared teaching files, MIS and finance data) and physical access control and security, such as the school gates and CCTV surveillance.

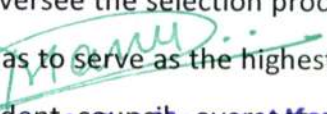

In today's digitized society which could be vulnerable, it is extremely important to spruce up the surveillance 24X7/365. IIL is equipped with high definition closed circuit television cameras with a recording facility. There are more thanCCTV cameras in classrooms, libraries, seminar halls and other areas thereby ensuring a vigilant campus. We at IIL make no compromise to ensure the security. The very existence of CCTV camera prevents any untoward incidents and makes the students feel safe. In order to filter out malicious network traffic and to protect students and instructors against cyber threat, firewall security is installed.

BLOCK- B

- I. **Ground Floor:** A Reception desk is situated in the front entrance of Block B building just inside the door. Behind the reception, various **Student Societies & Club Chambers** are located. Societies are the Student Representative Body that works for the development of the students and promote the participation of the student in creating a collaborative ecosystem in the institution where the students can get the first-hand opportunity of learning the various skills by working with the management and the students. The primary aim of the Student body is to represent the concerns of student welfare and secondly to develop and promote the managerial and leadership skills in the students.

The institution has **6 societies, 6 clubs** and the **Election Commission**. While the Societies are assigned with major task of promoting competitions among students, the clubs on the hand are responsible to arouse, aware and update students about contemporary legal issues, gender sensitization and women empowerment. Each Society is composed of the student members working on the posts of convener, co-convener and members and, Faculty in-charge that mentors the students and facilitates their endeavors.

Election Commission: The Election Commission is a subsidiary body of the Student Council that works directly with the Skill Development Cell. Its principal purpose is to oversee the selection process, which includes elections, self-nomination and personal interviews, as well as to serve as the highest authority during elections. The commission, in collaboration with the student council oversees the entire

vision to generate greater sensitivity and awareness. After training and internship exposure, skills and the knowledge of the students must be put to fine use. The task of ensuring this endeavor is taken up by the placement cell, which ensures getting better firms and corporate entities for providing befitting opportunities to the students of IIL.

The Career Development Cell also creates a Recruitment Coordination Committee (RCC) from the students studying in the final year. RCC is liable for assisting the Career Development Cell in conducting the placement communication, meeting and drive.

- f) **Sports & Cultural Society:** The Sports Society aims to promote sports in the institute and ensure the participation of IIL's students in various cultural events and sports tournaments held at the university, district, state, national and international level. It also organizes inter and intra-college sports events.

Language Lab:

A language laboratory at IIL contains electronic and mechanical equipments equipped with new tools and software like PCMag and Teaching English as a Foreign Language (TEFL), designed and arranged to make foreign-language learning more effective than is usually possible without it. With the aid of this lab, students are taught several foreign languages like **English, French and German**. Additionally, instructions for other languages like Urdu, Sanskrit and religious texts like Bible, Bhagvad Gita are also imparted.

The institute has a modern Language Laboratory with state-of-the-art audio-visual equipment to aid in imparting language skills. The Laboratory is effectively utilized by students and faculty members for various self-enhancement and soft skill development activities. Laboratory proves beneficial for those students who are poor in use of English language. Students from rural areas who are generally weak in English can have sufficient ear training in the language lab. It aims at confidence-building among students for interactions and presentations in English. The basic purpose of the lab is to provide students a platform to enhance English language skills, communication skills and to practice soft skills.

The main objectives of the Language Laboratory are:

- To equip the students with good communication skills.
- To emphasize the need of English in the technical world.
- To prepare them for interviews and future job environments.

Prof. (Dr.) Manpreet Kaur Rajpal
 Dean

Indore Institute of Law

Director/ Dean/ Principal/ HOD

- To train the students in the art of conversation and discussion.

Following English language and communication skills related laboratory sessions are conducted here:

- Grammar of English Language: Practice and Exercises
- Vocabulary Building Skills
- Active Listening Skills
- Introduction to Phonetic Sounds
- Reading Comprehension
- Business Letter Writing
- Oral Presentations (Self Introduction, Extempore, Public Speech, Formal Presentation, Use of AV Aids, etc.)
- Group Discussion (Unstructured & Structured)
- Mastering Presentation Tools (Microsoft Word & Power Point)
- Preparation of & Appearing for the Interview
- Situational Conversations
- Understanding Importance of Body Language

- **NAAC & IQAC Office:**

In pursuance of the National Action Plan of the National Assessment and Accreditation Council (NAAC), IIL has established an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC has become a part of IIL since 2015 which works towards realizing the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of institutions. The IQAC at IIL has made significant and meaningful contributions in quality enhancement of academics since its inception in 2015. The Primary aim of the IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.

Benefits :-

IQAC at IIL has made contributions through the following ways:

- It has heightened the level of clarity and focus in institutional functioning towards

quality enhancement and facilitated internalization of the quality culture NAAC for Quality and Excellence in Higher Education.

- It has helped in enhancing and integrating the various activities of the institution and institutionalized many good practices.
- It is providing a sound basis for decision making to improve institutional functioning.
- It is acting as an agent of change in the institution
- It is providing better internal communication.

National Service Scheme Office: with a view to orient the student youth to community service while they are studying in education institutions, the institute has established NSS office. The Aashayein Club Under the NSS programme has organized a 7-day camp in Sindoda village to aware its village residents about Health, Hygiene, contemporary Legal matters, social engineering, education programs, organic farming and use of solar energy.

- **Legal Aid Clinic:**

The importance of Legal Aid and Awareness Campaigns as a mechanism for social progress is something that has been repeatedly stressed upon by the Government of India. In the backdrop of Poverty and Inequality, legal Aid is an effective way towards attainment of the ideals of 'Social, Economic and Political' Justice that are enshrined in the preamble of our constitution and under the Directive Principles of State Policy. Imparting legal awareness is the first step towards ensuring prompt and effective access to justice.

As a social responsibility and as per the mandates of Bar Council of India, Indore Institute of Law runs a Legal Aid Cell which adheres to the fundamental policy enshrined in Article 39A of the Constitution of India. This cell is aimed at disseminating legal awareness amongst the students as well as in the society at large and to help the poor and needy people by extending free legal services through Legal Aid Clinic established by College. The cell is also dedicated to ensure clinical legal education of the students by organizing Legal Aid Camps, Jail Visits, Police Station Visits, Lawyer's Chambers Visits, Court Visits, NGO Visits etc.,

- **Seminar and Auditorium Hall :**

The seminar hall is soundproof with warm lights, wireless internet connection, high resolution overhead projector, professional grade display, dais, podium and sound system with

microphones. It is effectively used to host a plethora of events in the field of academics, co-curricular and extra-curricular activities. It is perennially occupied by different departments, societies and clubs for all college events and external functions such as guest lectures, fests, training, conferences and placement talks and serves as the venue for the regular workshops, seminars and moot exercises that are part of the learning process at Indore Institute of Law. It also serves the purpose of learning out of the conventional classroom too.

BLOCK- C

This block consists of 5 floors providing the following facilities:

I. Ground Floor

- **Canteen& Cafeteria:** A favorite haunt of students during off hours is the spacious and well-designed canteen with a suitable aesthetic touch. The canteen has a modern kitchen with the latest appliances to provide for Indian and Chinese cuisine. The interior is tastefully crafted to provide the much needed relief and soothing environment. A variety of Indian food and snack items are provided to the students and staff of the college at highly subsidized rates with highest quality. Besides providing breakfast, lunch, high tea, snacks and beverages, the canteen has a facility to arrange food for various events organized on the campus. Additionally, there is a full-fledged mess facility for the students staying in the hostels.

Our college canteen provides a variety of delicacies, touched by a home-made flavor, cooked to perfection and served with a great courtesy. Adequate seating facilities are provided to accommodate students and staff even during peak time. It is provided with modern furniture and electrical cooking and storing facilities, which provides hot lunch, snacks and beverages both to the students and staff at reasonable rates. It is well maintained with efficient service and a take away counter.

Facilities Provided:

- Adequate & Well-furnished Sitting area with proper Ventilation
- RO-Drinking Water
- Chillers& Freezer Facilities

- **Kitchen Area:** Canteen has a big kitchen with steam cooking facility and kitchen staff takes extra care to provide our students with an excellent canteen, modern & hygienic. The dishes prepared here are delicious and nutritious and are prepared with RO treated water.
- **Kitchen Store** where tools, utensils, appliances, dishes, and cookware used in food preparation, or the serving of food are stored.
- **Biogas Plant:** IIL has Installed Biogas Plant in the canteen. Through this, the bio waste generated in the Canteen's Kitchen and waste food is used to produce energy. This energy generated in the form of Biogas is then used to cook food in the kitchen. Thus the Institute's Canteen is self-dependent in terms of its energy requirements.
- **UPS Area** which facilitates solid power foundation for the institute.
- **Yoga Hall & Conventional Knowledge Centre:**

The institute lays due emphasis not only on the academic growth of its students, but also on their holistic development. The present day life style calls for Yoga & Meditation to be an integral part of life and these should be placed indeed on the upper pedestal for overall development of students. The art of practising yoga helps in controlling an individual's mind, body and soul. It balances the physical, mental and spiritual levels for a healthy body and a peaceful mind and helps manage stress and anxiety. It also increases flexibility in the body. Keeping these benefits of practising yoga in mind, the institute has allocated a spacious Yoga hall, where students, faculty and staff can practice yoga and meditation. Additionally, Instructors and trainers are available to train the students.

The Conventional Knowledge Center is a proactive initiative of the institute that aims to develop a knowledge based approach among students. The education center at IIL aims at covering the syllabi and learning for examinations and degrees, while the knowledge center aims at uncovering and discovering oneself and learning for knowledge of inner-self. Here, religious scriptures and holy books of Vedas, Upanishads, Gita, Quran, Hadiths and Bible are kept for reading purpose with a view to develop respect for religious diversity and promote connectedness.

Ground Floor:

Following Infrastructural facilities occupy the ground floor of the building:

a) Accounts Department:

It exercises general supervision over the funds of the university, holds and manages the funds, property and investments, including trust and endowed property. It is also responsible for pointing out any unauthorized expenditure or financial irregularities from any academic member of the university.

b) Additionally, the institute accommodates a fire extinguisher pavilion in the corridor. Indore Institute of Law takes pride in being the only institute in the State of Madhya Pradesh to have secured a No-Objection Certificate from the Fire Department.

a) RO-Drinking water facility is provided in each floor.

b) To enable easy and quick movement through the different floors of the college, lift facility is provided by the institute.

c) **UPS Area** which facilitates solid power foundation for the institute.

d) **Chief Warden's Office (both for Boys and Girls Hostel):** The Chief Warden will make arrangements for the residence, mess, supervision and discipline of students residing in the University hostels or any other duty assigned to him .He is the drawing and disbursement officer in respect of hostels. He is also responsible for the smooth functioning of the hostels and allocation of available accommodation/seats to the students in consultation with other Wardens in accordance with the rules. Chief Warden (female) will look after the routine work of girls' hostels.

e) Furthermore, the ground floor comprises of offices for the following authorities:

- Personal Assistant to Chief Administrative Officer
- Career Development Cell (CDC) comprising of 2 Senior Training Placement Officers and one Training Placement Officer. Few vacant offices lie next to CDC

f) **Career Counseling Office:** The Career Counseling Office supports the educational mission of a college or university by helping students to develop, evaluate and pursue career goals. In the process, students acquire the knowledge and skills necessary to make lifelong career decisions. Career Counseling office accomplishes these goals through career counseling and a range of programs and services designed to help students make the connection between the academic program and the workplace.

Ideally, the office assists students throughout their stay at the institution, providing appropriate assistance at each stage of the **Student's Career Development**. This process often begins with career counseling designed to help students develop the self-knowledge and awareness of options needed to select an academic major or a tentative career direction. Students are guided in thinking about their interests, values, competencies, and personal characteristics. Through conversation and exercises, students often discover previously unidentified interests.

f) **Record Room:** Records like course materials, timetables, assessment pieces, student information including change of details, enrolment, withdrawal forms, employee information including leave application forms, travel applications, workplace agreements, meeting agendas, minutes and papers, financial information including receipts, invoices, petty cash records, ledgers, grant submissions and external correspondence received by the institute are stored here.

machine, wheel chair, stretcher, bed etc. Ambulance facility is also available in the Campus in case of any emergency.

b) Male Common Room: To facilitate our male students, the Campus has established a spacious and comfortable common room in the campus. This space has been designed to give male students a place to relax, study, have informal discussions in free time available.

c) Warden Room: The Wardens shall keep close contact with the residents and shall pay attention to their health, hygiene and general life in the hostel.

d) The floor also accommodates three guest rooms well furnished with air-conditioning, television set, geyser and other basic amenities. The Institute has a robust policy for the guesthouse and experts, examiner, visitors, and parents are accommodated in the guesthouse with different level of priorities.

Boys Hostel:

Boys Hostel occupies the ground floor, first floor, second floor, third floor, fourth floor and fifth floor of the building.

The institute provides magnificent residential facilities offering a comprehensive range of facilities within the institute, separately for boys and girls. Residential facility is permitted on annual basis for students admitted for regular programmes for the duration of regular academic session.

We understand that most of our students are moving away from home for the first time, so we strive to make the transition as smooth as possible by providing comfortable, safe and homely set-up within the campus. Moreover, the University is committed to zero tolerance to ragging, alcohol, smoking, drugs and disciplinary misconduct. The concerned and highly-experienced staff looks after the university assets and ensures that the hostel remains responsive all the time.

Facilities Provided:

- All the rooms have been designed to provide adequate moving space and ample air and light.
- Provision of both Air-Conditioned (AC) and Non AC rooms.
- Rooms with bed, table, chair and almirahs.
- 24x7 electricity and water supply.
- Solar panels installed in all hostels for hot water.

- CCTV cameras installed at strategic locations of all hostels.
- 24x7 Security Service.
- Mess Facility providing breakfast, lunch, evening snacks and dinner.
- Lady Warden at Girls' hostels and Male Warden at Boys' Hostels.

A solar panel system is installed at the terrace of this building. A solar panel installation is a tangible way to lower carbon footprint and reduce greenhouse gas emissions. This practice not only reduces the operating costs of the institute but also assists in enriching the educational environments of students. It enables them to witness first-hand operational solar panel system. Owning a solar system on campus inspire scholars to adopt more sustainable habits and facilitate educators to include the working of this energy system into their teaching curriculum. Furthermore, solar water heater systems are installed on the rooftop in order to generate hot water in a cost effective manner.

BLOCK- E

I. Ground Floor:

- **Female Common Room:** There is a need for personal space especially for girls who are young adults. This is very essential for them to interact, discuss with their counterparts and also rest if and when needed. Our college has recognized the need for this personal space for girls, especially in a co-educational institution and has a separate room for the girls.
To facilitate our female students, the Campus has established a spacious and comfortable common room in the campus. This space has been designed to give female students a place to relax, study, have informal discussions in free time available.
- **Crèche:** the institute has established crèche facility for babies of working women and parents of the campus. It has all modern facilities, congenial atmosphere and conducive environment for healthy growth with proper motherly care.
- To enable easy and quick movement through the different floors of the college, lift facility is provided by the institute.
- **Sanitary Napkin dispenser and incinerator** are also placed for safe disposal of sanitary waste.
- Our institution has **24 x 7** eco-friendly Diesel Generators with the capacity of 125 KVA for uninterrupted power supply.

Prof. (Dr.) Manpreet Kaur Rajpal
 Dean
 Indore Institute of Law
 Director/ Dean/ Principal/ HOD

- **Badminton Court:** we have an indoor badminton court which is well equipped with synthetic mat and is capable to host both, singles and doubles matches. Playing badminton makes the students stay active throughout the day and helps to improvise the speed, strength, and precision of a student.
- The ground floor within its ambit accommodates a Warden Office, Property/Props Room and Waiting Area.
- **Girls Hostel:**

We at Indore Institute of law believe that choosing an Institute is also about choosing a new home. We ensure that students dwell in a healthy environment that helps them to grow and learn without any obstacle. The College hostel facilities are designed to give the feeling of a second home to students. It is a place where students learn to live independently and socially at the same time. The campus consists of well-built hostel blocks, both for girls and boys.

Facilities Provided:

- All the rooms have been designed to provide adequate moving space and ample air and light.
- Provision of both Air-Conditioned (AC) and Non AC rooms.
- Rooms with bed, table, chair and almirahs.
- 24x7 electricity and water supply.
- Solar panels installed in all hostels for hot water.
- 24x7 Wi-Fi Internet connectivity.
- CCTV cameras installed at strategic locations of all hostels.
- 24x7 Security Service.
- Mess Facility providing breakfast, lunch, evening snacks and dinner.
- Lady Warden at Girls' hostels and Male Warden at Boys' Hostels.

Girls Hostel occupies the ground floor, first floor, second floor, third floor, fourth floor and fifth floor of the building.

- In consonance with institution's commitment to "go green" and in an effort to urge the communities to opt for renewable sources of energy, solar plant is installed on the terrace of the building. Additionally, in order to provide safe drinking water for all, RO plant is also installed on the terrace.

OTHER PHYSICAL FACILITIES

Security Office: At the main gate of the institute, lies the Security office. The Security Services at IIL provide a safe and secure environment for students, staff and visitors and ensure that the institute is an enjoyable place to study, work and visit. It operates 24 hours a day all year around and provides the following vital services:

- Campus security
- Help and assistance during an incident
- Traffic control , Car parking and Bicycle Parking
- Lost and found property
- Security at events
- Emergency planning and management

Parking Area:

To effectively manage the parking activities on campus, the college provides ample parking space for all on its premises. The college has a separate parking lot for students' vehicles located outside the main gate of the institute and dedicated spaces for parking staff vehicles and college bus inside the main gate. In pursuance of its "Go Green" commitment, IIL also accommodates a cycle parking zone in its campus. But those who park their vehicles have to abide by certain rules and restrictions. At all times, for instance, speed limit norms need to be followed. Honking horns is strictly prohibited. Very less vehicles are permitted inside the college campus, and all these permitted vehicles are required to have all the relevant documents as prescribed under the law.

Playgrounds:

The process of learning extends beyond the confines of the classroom. At Indore Institute of Law, we emphasize the importance of physical fitness and mental agility in shaping a student's personality and well-rounded development. Its numerous outdoor playgrounds and indoor play facilities help students to stay fit and develop a spirit of healthy competition.

Prof. (Dr.) Manpreet Kaur Rajpal
Dean
Indore Institute of Law
Director/ Dean/ Principal/ HOD

Playing competitive sports has also proven to increase the rate of positive academic achievements among students. The institute provides students with a plethora of opportunities to maintain a healthy & active lifestyle while pursuing academic goals. This dedication makes sports an integral part of the institute's academic structure. Indore Institute of Law has many accolades to its credit both nationally & internationally. Moreover, the Institute organizes inter-university and inter-college/department events that foster team spirit among the participants and make them disciplined.

The playing fields for various outdoor sports deserve special mention as they are spread across our campus. Verdant surroundings are the hallmark of the institute and these playing grounds are no exception to the same. All the playing grounds are located strategically across the institute thereby making sports part of one's life no matter where the person is in the institute.

We have total five playgrounds viz. **Ground -1, Ground-2, Ground-3, Ground 4 and Ground 5** providing facilities for playing the following sports:

- **Street Football:** The university campus has a football ground with lush green grass for the most widely played and followed sport in the world. To promote coordination, teamwork, sharing, and increase cognitive brain function, the students of Indore Institute of Law are provided with the facility of state of the art and world-class football ground within the campus. An experienced football coach trains the team with all the required equipments in the evenings.
- **Cricket:** A religion to most people in India than a sport and for the students of the Indore Institute of Law it is no different. The infrastructure related to the game includes a cricket ground with natural turf pitches. Additionally, facility of cricket kit comprising of bat, ball, wicket stumps and pad is also provided.
- **Basketball:** Being one of the most popular sports in colleges, basketball is played by a large number of students in the evenings.
- Professional training on Taekwondo is also provided to the students and its main focus is to provide best physical fitness and self-defense skills.
- These playgrounds also facilitate a variety of other outdoor sports like Volleyball, Throwball, Lawn Tennis, Kho-Kho, Base-ball, Discuss Throw, Kabaddi, Shot put and many more.
- Rainwater Harvesting:

Prof. (Dr.) Manpreet Kaur Rajpal
Dean
Indore Institute of Law
Director/ Dean/ Principal/ HOD

Indore Institute of Law has a robust Rainwater Harvesting System. It has both:

a) **Rooftop Rainwater Harvesting:** Indore Institute of Law has installed Rooftop Rainwater Harvesting in its Block A, B, C and D. The water from the terrace reaches the chambers spread in the campus through pipes. This water in the chamber helps recharging of bore wells in the campus. The pipes of Rainwater collected from Block A is directly stored in the nearby tank.

b) **Surface Runoff Harvesting:** IIL has Recharging Pits, Paver Blocks, and Boundary Wall which help in better utilization of Surface Water. It is the system that collects rainwater, which flows away as surface runoff. The runoff rainwater is caught and used to recharge aquifers by adopting appropriate techniques.

Apart from the lavish green campus spread over a space of 7 acres equipped with all latest amenities, our Internal Quality Assurance Cell in pursuance of its five-year plan (2018-2023) has proposed for an Auditorium with seating capacity 1500 people.
