Additional Write up

Indore Institute of Law by integrating technology in its teaching process endeavors to create an easy-to-manage learning environment where the delivery of information is smoother and access to learning becomes easier hereby striving to create a revolution in the education field. Additionally this initiative also facilitates smooth transition of our teaching pedagogy from teacher-centric to student-centric.

Following information and communication technology facilities provided by the institute are utilized by our faculty members to facilitate effective learning:

- **Fully Wi-Fi enabled Campus:**

The campus at Indore Institute of Law is Wi-Fi enabled with high speed internet connection. This facility enables students and staffs of Indore Institute of Law to access uninterrupted high speed Internet connectivity anywhere within the campus, be it the classrooms or all the blocks or all the playgrounds available. With an internet connectivity of 130 MBPS, high-speed network with Optic FibreCable across the campus provides seamless connectivity to Internet for students and faculty members over an ample bandwidth of 50 mbps. Access points are placed at prominent locations of the institute to provide seamless service to all the stakeholders of the Institution for research and educational purposes.

- **Virtual and Blended learning:**

All the Classrooms, Conference halls and Auditorium of the institute are equipped with latest technological facilities such as overhead Wi-Fi enabled LCD projectors, microphones and digital sound system use of Moodle- Learning Management System (LMS Moodle@4.0) to create **effective online content and digital lecture capturing**. The Audio- Visual Room fitted with state-of-the-art technology like cameras for video conferencing, video projectors and digital sound system

facilitates recording of lectures and conducting of live classes, seminars, conferences and guest lectures. The institution has subscribed to the MS-Team application which facilitates participation of 2500 active users at a single time. Additionally classes taken by the faculty members and special lectures conducted by eminent personalities on contemporary legal issues through online platforms like Google Meet, Zoom Meetings, Google Classrooms, Webex and Microsoft Team seek to advance inclusive education. Lectures are also provided in pre-recorded form for **24x7 accessibility** to enable slow learners to learn at their pace. During the pandemic times, our faculty conducted **30,000+ virtual classes and more than 24 international programmes are conducted through digital platforms which were live telecasted on Indore Institute of Law's Face book page.**

- **Employment of ICT- favored teaching pedagogy :** In conjunction with preparing students for the current digital era, teachers at Indore Institute of Law are seen as key players in using information and communication technology in their daily classrooms. **Course materials and power point presentations** prepared by the concerned subject faculty are made available through Accsoft Server.

Further, our faculty members incorporate variety and flexibility in classroom teaching by showing students pedagogically sound feature length films, short sequences of films, documentaries and adverts. This technique acts as a springboard for follow up tasks such as discussions, debates on social issues, role-plays, reconstructing a dialogue or summarizing.

- **Modern Language Laboratory for imparting language skills :**

A language laboratory at IIL contains electronic and mechanical equipments equipped with new tools and softwares like PCMag and Teaching English as a Foreign Language (TEFL), designed and arranged to make foreign-languages like English, German, French learning more effective than is usually possible without it. It is also effectively utilized by students and faculty members for various self-enhancement and soft skill development activities. Additionally, training relating to basic computer programs such as MS-Word, MS- Excel, MS- PowerPoint and many more are also provide.

- **Capacity enhancement programs by LEDX :** IIL being affiliated to DAVV (Devi Ahilya Vishwavidalaya University) has little to no academic flexibility. With a view to create curriculum enrichment and to curb its menace of having no academic flexibility, IIL in 2020 created its very own learning management system i.e. LEDx (Legal Learning Edutech Private Limited) which serves as the ideal platform for grooming our students in niche and emerging areas of laws through its various certifications programs, advanced courses, value-added programs, blended learning and boot-camp sessions. Today, 51 advanced and specialized courses are provided by LEDX in niche areas of laws like International Humanitarain Law, International Commercial Arbitration, Alternative Dispute Resolutions, Gambling Laws, Media laws, Artificial Intelligence and many more.

- **ERP for facilitating student information**

The Institute's Enterprise Resource Planning (ERP), **Accsoft Server** is frequently used by the teachers to digitize operations like monitoring attendance of students, sharing reading materials prepared by the concerned subject faculty, course allotments, hall ticket generation for purpose of examination, sharing session plans and internal assessment scores. **Course materials and PowerPoint presentations** prepared by the concerned subject faculty are made available through **Accsoft Server**, Institute's Enterprise Resource Planning (ERP).

- **MOOCs and Moodle:**

Our faculty members design their courses in MOOC open source learning management system which creates **24x7 remote** learning environment and provides easy access to the knowledge related to the specific matter.

We have achieved another milestone in the form of Learning Management system [Moodle@4.0](#). This platform enables our faculty members to effectively record their lectures, provide assignments, distribute notes and study materials, conduct quizzes and also facilitate easy online information. It is a learning platform designed to provide educators, administrators and learners with a single robust, secure and integrated system to create personalized learning environments. Additionally it enables educators to create their own private website filled with dynamic courses that extend learning anytime, anywhere.

- **Automated Library and Computer Labs Facilitating effective research:**

For the convenience of students and faculty members, library services at IIL extends to a digital library providing 20 systems with internet connectivity to access digital contents , audio and video lectures on [Moodle@4.0](#), NPTEL-SWYAM, E-Shodhganga, Shodhsindhu, E-Vidwan and E-Vidymitra, e-journals, e-books, projects, pdf notes, power point presentations and course material files. Our faculty members encourage Students to refer and utilize these online sources while completing their research papers, assignments and project work in order to promote quality content. Apart from the printed books the library is having access to e- resources of **Manupatra, SCCOnline, Westlaw Asia** and N-LIST which is a part of **e-Shodhsindhu, E-Shodhganga, E-Vidwan, E-PG Pathshala consortium** of INFLIBNET enabling our teachers and students to access, browse and download e-books, e journals, databases and many more. **In order to provide insights on landmark legal cases, teachers often encourage students to refer these online databases for preparing their case comments, case notes and case studies.**

To nurture creativity among our students, our teachers have access to plagiarism detection softwares like **OURIGINAL (URKUND)** and **Plagiarism Checker-X** to check the research papers of our students and instill creativity among them.

Further, to provide easy access of the library resources, one can access to e-resources by scanning the QR code from one's mobile phone. This service will be available to one 24X7 anytime, anywhere. Also, the library services extends to **all the five blocks** of the institute, providing remote access to online databases, e-journals, e-books through LAN and Wi-Fi facility.

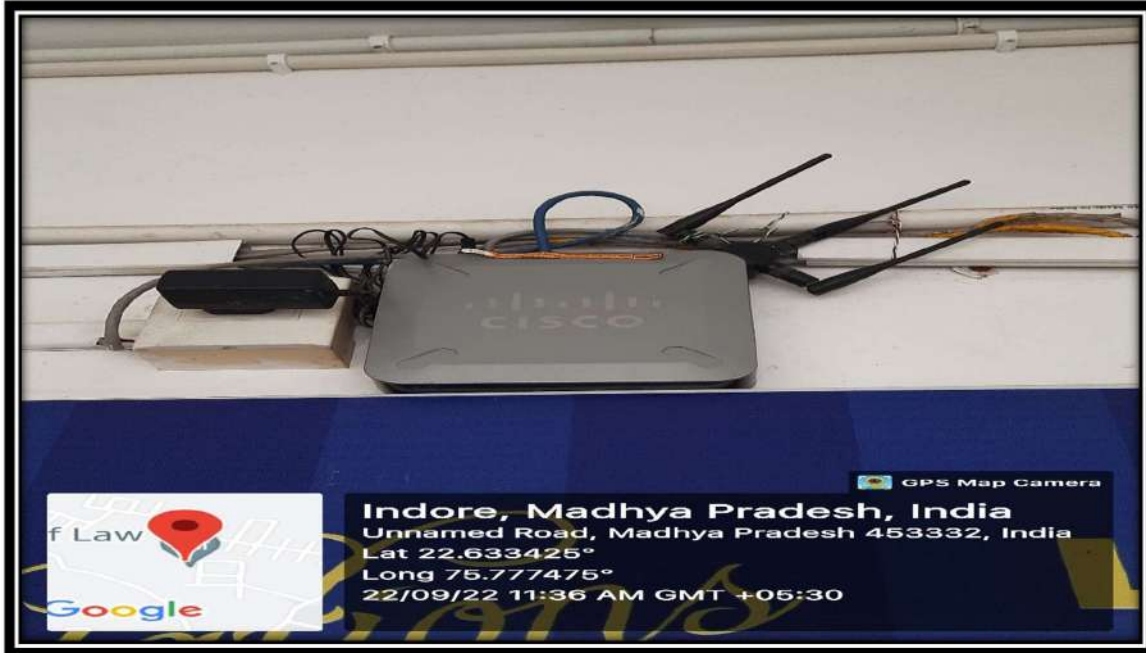

Our library at IIL is fully automated with integrated library management software **ERP Accsoft 2.0** developed by Emperor Solution Pvt. Ltd., Indore. OPAC (Online public access catalogue) service is also provided where the teachers can search the collection of books by title, author, publisher etc. In short, our OPAC system facilitates library patrons to search for materials quickly and easily without the help of a librarian.

- **E-mail Services, Whatsapp Groups and Bulk SMS:**

Our teachers employ Whatsapp groups and E-mail services for sharing among the students numerous reading materials, educational resources and pertinent information relating to academics. Further, these Bulk SMS, E-mail Services and Whatsapp Groups serve as a focal point of interaction among parents, teachers and students.

About The Journal

Nothing in this world can take the place of persistence. We can each define ambition and progress for the aim is to work towards accomplishment of goals.

The beginning has always laid down the foundation stone the direction which paves the way to a glorious future. The first step is only an abacus to alleviate the enormous saga of learning, wisdom and attainment of goals. Talent and skills are the crops that are nurtured, groomed and given all possible opportunities to grow and boom.

Adding a cherry on the cake, we take a new step towards the research arena as **Anusandhaan Ek Shodh**. Being an multidisciplinary journal, "**Anusandhaan Ek Shodh**" is an initiative of **Indore Institute of Law** to promote **Multidisciplinary Subject** research domain.

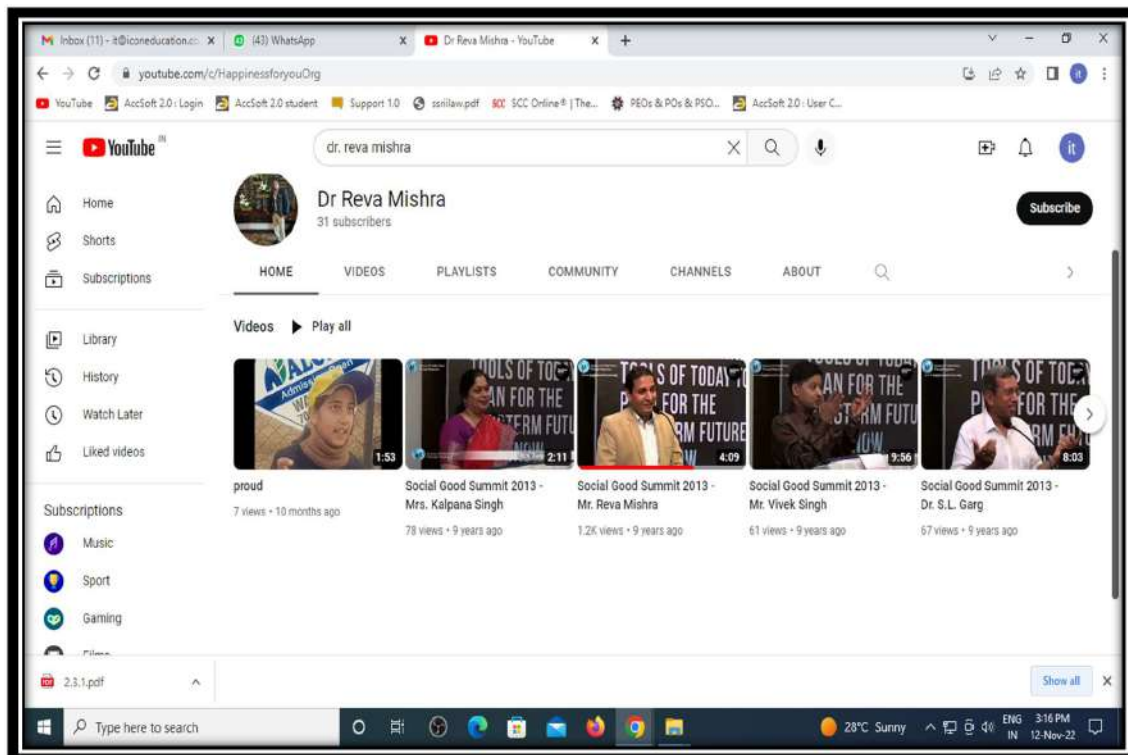

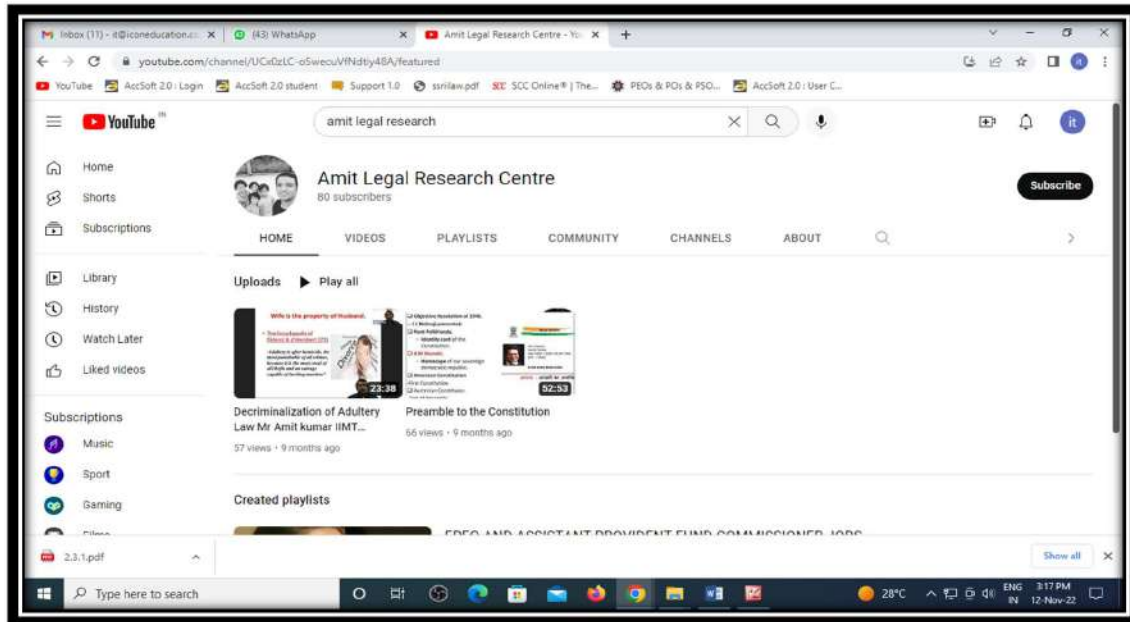

Anusandhaan Ek Shodh is the annual interdisciplinary journal of Indore Institute of Law, the journal is open to submission relating to areas of law, management, law, art, humanities, or any inter-disciplinary study.
