Subject: Application for Setting Up an ATM Machine at Indore Institute of Law College

Respected Sir/Madam,

I, on behalf of the Indore Institute of Law College, am writing this application with great enthusiasm and hereby request the establishment of an ATM machine within the premises of our esteemed institution. The college is situated at Gendalal Bam Parishar, opposite to IIM Indore, along the Rau-Pithampur Road in the Village Dehri, Indore, Madhya Pradesh - 453331. Our institution operates under the aegis of the ICON EDUCATION SOCIETY, and we are proud to house three colleges, namely Indore Institute of Law, Idyllic Institute of Management, and Indore Nursing College, all within the same premises.

Our campus is home to a diverse community of over 6000 students hailing from 17 different states of India. Of this population, more than 700 students are residents within our campus, availing the comfortable accommodations provided in our Boys' and Girls' hostels. Our students are pursuing various streams of education, including Law, Management, and Nursing. It is noteworthy that the Indore Institute of Law was established in the year 2003 and is affiliated with DAVV Indore, approved by the Bar Council of India, and holds the prestigious NAAC A+ accreditation.

Considering the increasing need for convenient banking services within the campus vicinity, we would like to emphasize the dearth of ATM facilities, because we do not have any ATM Machine within a radius of 1 kilometer from our campus. This creates an inconvenience for our students and staff who frequently require banking services. We believe that by having an ATM machine on our campus, we can significantly enhance the accessibility and convenience of financial services for our students, faculty, and employees.

Furthermore, our institution employs around 375 dedicated staff members, all of whom contribute to the smooth functioning of our academic programs and administrative processes. Having an on-site ATM will greatly benefit them as well, ensuring easy access to their banking needs during their busy schedules.

We sincerely request the Bank of India to consider our proposal for the establishment of an ATM machine on the premises of the Indore Institute of Law College. We are confident that this collaboration will not only facilitate the financial transactions of our stakeholders but also showcase the commitment of Bank of India to the welfare and convenience of the local community.

We eagerly await your positive response and are open to any discussions or evaluations that are required from our end. Thank you for your time and consideration.

Yours sincerely,
